Materials: Index cards with the names of occupations
HOP AND BREAK

Start with one person as the announcer and everyone else as hoppers. When the announcer says, “Now hop!” everyone hops up and down around the room. When the announcer calls out, “break” and a number (e.g., “break four!”), everyone quickly breaks into groups of that number.
CHANGE THE BEAT

One person begins by creating a beat, using only his or her body. Everyone follows for five repetitions, then the next person in the circle changes the beat and/or sound, leading the group for the next five repetitions. Continue until everyone has a turn.

Materials: Balls
CLAP, SLAP, SNAP

One person starts as the leader and creates a clap, slap, snap pattern for the whole group to follow. Switch leaders and repeat.

FOLLOW THE LEADER

Form one line with your hands on the shoulders of the person in front of you. Everyone follows the leader as he or she navigates the classroom. Switch leaders and repeat.
WHAT’S THE WEATHER?
The announcer names different types of weather (e.g., light rain, snow, lightning, blizzard, breeze) that everyone acts out (silently or not). Rotate announcers and repeat.

He or she then tries to make the statues break out of character and laugh. The first to laugh becomes “it” for the next round.
WHO’S THE LEADER?

One person is “it” and leaves the room (or closes eyes and covers ears in the corner). The rest of the group picks a leader, who will begin doing a movement (e.g., tapping feet, clapping hands). When the leader begins a new movement, everyone must switch as well. The person who is “it” rejoins the group and has to guess who is the leader.

BALL TOSS

While holding a ball, one student announces a category (e.g., sports, plants, presidents, celebrities). That person names something that belongs in that category, then tosses the ball to someone who then has to quickly name something else in that category, before tossing the ball to someone else.

Each succeeding person repeats the directive and acts it out, and it continues down the line.
