SANFORD HARMONY™

PEOPLE MATCH GAME

5TH - 6TH GRADE

SKU# PMG-56-4656
INSTRUCTIONS

In a group of three or four match the descriptions with the people on the cards. You don’t know them, but take a guess to see if you can figure which descriptions accurately describe the people in the pictures. There are two descriptions for each person. Write your guesses on your record sheet. When you’re done, we’ll see which group came closest to getting the correct answers.
