MINDFULNESS FOR EDUCATORS: Navigating Our New Reality

MINDFULNESS OVERVIEW WEBINAR AVAILABLE at
https://www.youtube.com/watch?v=wSq3t1LyX4E
Welcome!

We all have a lot on our mind...

Let's take a moment to calm our minds a bit...
Mindful Moment Debrief

- What was the experience like?
- How do your mind feel now?
- How does your body feel now?
- Any insights or thoughts you'd like to share?

How could you use this at work or at home throughout the day?
The Present Moment

"The present moment is the only time over which we have dominion."

- Thích Nhật Hạnh
Our approach today
Defining mindfulness

intentional attention
Let's see where we're at...
A different approach
Who/what is receiving your attention in a given moment?
Why is mindfulness challenging?

What barriers most get in your way of being mindful?
Being more mindful

There is no magic elixir
But, maybe there is

1. Understand
2. Develop structures
3. Deliberate practice
Understand

Reflect.
Think.
Collect data.
Ask questions.
Develop structures

Plan.
Schedule.
Be daring.
Don’t go at it alone.
Deliberate practice

Experiment.
Let go of need for results.
Set aside time.
Do your best.
Value the journey.
Have fun.
Repeat.
Where are you in your mindful journey?
MINDFULNESS IN OUR NEW REALITY

• Set structures and boundaries

• Remember we need connection and intentionally make it happen

• Invest in self-development
BE KIND TO YOURSELF AND OTHERS

• Remember we are ALL experiencing fight, flight, or freeze—some of us seem to OVERreact and some seem to UNDERreact

• We are all going through an adjustment reaction
More strategies to bring mindfulness to your day

- *Prepare* instead of just show up
- Beginning with the end in mind
- Utilize transition moments to build in mindfulness
- Encourage moments of reflection for yourself and others
- Ensure a balance between challenges and resources
Your Questions
